EDUCATION

University of Illinois Urbana-Champaign **Start August 2023**
Undergraduate Student at the College of Liberal Arts & Sciences, School of Molecular & Cellular Biology

Waubonsee Community College **August 2017 - August 2022**
Associate in Applied Science

East Aurora High School **August 2013 - May 2017**
Graduated with honors

PROFESSIONAL APPOINTMENT

Academic Support Paraprofessional Tutor (biology/anatomy) **Spring 2023**
Waubonsee Community College

- Providing subject matter expertise and serving as models for students in the techniques, strategies, attitudes, and beliefs of successful learners
- Reviewing class material, discussing problems, reviewing tests, or working on solutions to problems
- Facilitating individual and small group tutoring sessions, and classroom visits

RESEARCH EXPERIENCE

Student Researcher at Waubonsee Community College **Fall 2022 - Present**
Advisor: Professor Sheela Vemu

- Leading the study of the immunogenic regions on the spike glycoproteins of the SARS-CoV-2 variants using the web-based bioinformatics platform Immune Epitope Database (IEDB)
- Optimizing the target antigens' position by developing python scripts, utilizing immune epitope prediction and analysis codes, statistical interpretation of data and creating educational materials
- Mentoring students for their honors project which uses IEDB

Jatniel Gomez and Chris Salgado (Students at Waubonsee Community College)

HONORS AND AWARDS

NIIMBL eXperience **2023**
The National Institute in Manufacturing Biopharmaceuticals

First place at the Illinois Water Environment Association Student Poster Competition (Newsletter) **2023**
2023 Illinois Wastewater Professionals Conference

Waubonsee Students Recognized on Fall 2020 President's List **2020**
Waubonsee Community College

The John J. Swalec, Jr. President's Achievement Award **2019**
Waubonsee Community College

Waubonsee Students Recognized on Fall 2017 President's List **2017**
Waubonsee Community College

Phenomenal Woman Award <i>"Schequeta Hart-Burns" Boy's II MEN</i>	2017
Junior ROTC Award of Merit <i>The Military Order of the World Wars</i>	2017

CONFERENCES

Training the Future of the Bioeconomy: Creating Accessible Research Experiences in Protein Engineering Using the Immune Epitope Database <i>Poster presentation at PEGS Boston Summit 2023 Conference - Boston, MA</i>	May 17, 2023
Mapping Immunogenic Regions in SARS-CoV-2 Variants to Understand Vaccine Design Using Bioinformatics Tools <i>Podium Session at 2023 John Saragon Albazi Research and Creative Activities Student Symposium - Northeastern Illinois University, Chicago, IL</i>	Apr 28, 2023
Mapping Immunogenic Regions in SARS-CoV-2 Variants to Understand PCR Assay Design Using Bioinformatics Tools <i>Student poster session at 2023 Illinois Wastewater Professionals Conference - Springfield, IL</i> <i>1st place winner</i>	Apr 10, 2023

CERTIFICATE

Junior Deputy Certificate <i>Kane County Sheriff's Office</i>	Summer 2016
---	--------------------

ACTIVITIES

Academic

Student organization MEChA / President, Vice-president, Secretary <i>Waubonsee Community College</i> <ul style="list-style-type: none"> Opened a chapter at Waubonsee that advocates for Latino students on campus Provided resources and support for students' academic success 	2019 - 2021
